## **About the FDP**

The Faculty Development Programme (FDP) on *Outcome-Based Education and Curriculum (OBE-7)*, jointly organized by the and the **Institute of Engineering & Technology (IET), Lucknow**, and **National Institute of Technical Teachers' Training & Research (NITTTR), Bhopal** is scheduled to be held from **8th to 12th September, 2025** at IET, Lucknow. The programme is designed in alignment with the reforms envisaged in the National Education Policy (NEP) 2020, with a focus on curriculum restructuring, pedagogy, and assessment. It aims to build comprehensive awareness among teachers, policymakers, and implementers about the philosophy and practices of Outcome-Based Education (OBE) and curriculum design. The FDP will cover key areas including vision, mission, programme educational objectives (PEOs), programme outcomes (POs), programme-specific outcomes (PSOs), formulation of course outcomes, innovative pedagogical methods, and rubric-based assessment. With a structured schedule combining lectures, interactive tasks, group

work, and feedback sessions, participants will gain hands-on experience in formulating outcomes, designing rubrics, and integrating innovative teaching-learning methods. The assessment will be based on tasks and an achievement test to ensure practical understanding and application. Overall, this FDP seeks to empower faculty with the knowledge and tools necessary to effectively implement OBE, thereby enhancing the quality and relevance of higher and technical education.
