

Office of Dean Academics, IET, Lucknow

IET/Dean Academics / 2020 - 17008667

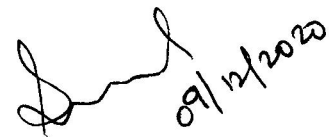

Date: 09th December, 2020

NOTICE

All the newly admitted students in session 2020-21 are hereby informed that their individual Institute Roll No. and Institute email ID have been generated. The Information regarding the generated Roll No. and the Institute email account has already been sent to the admitted student's email ID provided by them during application of UPSEE-2020. All the students are instructed to check the Institute email account regularly as all the official information and notices will be sent to the Institute email account only.

All the newly admitted B. Tech first year students are informed that the Institute is organizing an Induction Program from 10th of December, 2020 to 19th of December, 2020 as per AICTE guidelines. Due to Corona Pandemic, the Induction Program for all the B. Tech first year students will be organized through online mode. For the smooth functioning of the Induction Program, individual branch wise Google Classroom has been created. B. Tech. first year students are instructed to join the respective Google Classroom created for their branch latest by December 10, 2020 10:00AM.

The link to join the Google Classroom has been mailed to all B. Tech first year students to their Institute email ID. It is important to note that the students will be able to join the Google Classroom through the Institute email account only. After joining the Google Classroom students will be able to see the instructions, schedule or any other information regarding the Induction Program on the Classroom portal itself. All the students are expected to follow the instructions given on the Google Classroom and maintain the required discipline.
